WE'VE MOVED!

We have settled into our new location: 200 Yorkland Blvd, Suite 605, Toronto, Ontario M2J 5C1. We appreciated that many of you came to our open house at the end of January. If you have a chance, stop by and bring your questions with you. We always enjoy meeting our members.

STATUS OF THE FUND

This is our 2016 year-end update on the financial status of the Fund, based on the three things that determine the amount of money available to pay pension benefits.

1. How much employers pay into the Fund

There was an increase of 3% to the annual employer contributions to the Fund from 2015 to 2016. The Fund continues to receive about the same amount of contributions each year.

2. The Fund's rate of investment return

The rate of investment return for 2016 was lower than in 2015. Strong returns in 2015 did not continue in 2016.

3. How much money the Fund pays in benefits to retirees and beneficiaries
